

EXPORTERS TO MEET BULLOCK

30 Reservations for Lunch.
 eon to License Agent
 Friday at 12:15.

tofers in the visit to El Paso Friday and Saturday of Alexander H. Bullock, representative of the license bureau of the exports administration board, is being taken by many merchants and manufacturers who export goods to Mexico. Up to noon Thursday, 29 reservations for the luncheon to be given in his honor at Hotel Sheldon at 12:15 o'clock Friday had been made at the chamber of commerce.

Interest in Mr. Bullock's visit, which is of the greatest importance to the city, is being manifested by the formation of a branch of the bureau of export licenses in this city. It was not confined to El Paso alone. Letters of introduction to the bureau of export licenses of the license bureau branch in this city have been received by the chamber of commerce from the cities of Chicago and Atlanta points. The following letter was received by the chamber of commerce from the Atlanta-Southwest branch of the bureau:

Douglas Firm Favors El Paso.

Having learned of the intended visit of the bureau of export licenses, we trust that he will come to a decision to recommend a license agency to be located here, in order to save the expense of account of the great delay encountered

tered incommunicating with Washington and an evident misunderstanding in many cases of the true situation existing in the various sections of merchandise in Mexico, both the jobbers in this country and the mine operators in Sonora have been greatly handicapped. We hope that your board will be able to present arguments to Mr. Bullock that will bring about a favorable decision."

Data Ready For Official.

Statistics of commerce prepared by the chamber of commerce, submitted to Mr. Bullock upon his arrival, show many reasons why a branch of the license bureau should be established in El Paso instead of elsewhere, and

outlining the many difficulties now encountered by merchants exporting goods to Mexico.
